Anniversary

# Ketchum Arts Festival

Sun Valley Festival Meadow

July 14-16

2023

## A Blast from the Past.....

The start up of KAF was attended by a dozen local artists who held a tiny fair in Janet Dunbar's courtyard in downtown Ketchum. The next year, the group grew to 43 artists and the third year, 65. The Courtyard was too small to allow much growth, so they tried 4th Avenue between Leadville and East Avenue and later East Avenue between Sun Valley Road and 4th. A desire to escape asphalt underfoot prompted the 2005 move to our current location in Festival Meadow on Sun Valley Road. This year, as we celebrate our 25th anniversary, we look back at our progress with pride.

The original mission statement of the Festival was quite practical in nature: the show would offer local artists an earning opportunity while enriching the community artistically. The success of this model is reflected in the number of artists who continue to participate in KAF. Of this year's roster, eleven were in at least one of the first three shows and many more of our current list joined by the fourth or fifth year of KAF. That honor roll of eleven includes John Beehler, Sara Berquist, Brandi Egnatz, Jini Griffith, Kim Howard, Vint Lee Hughes, Sally Kerns, Kary Kjesbo, Nancy Liston, Elizabeth Pohle and Marie Stewart. Ask them. They have some great stories to share!

### Kids' Activity Tent

Free fun for the little ones so the folks can relax and enjoy the festival! Ages 4 and up can be checked in and left, if the responsible adult has a cell phone and remains on the Festival grounds. Any child younger than 4 needs their own minder of at least 15 years of age. The Kids' Activity Tent (KAT) offers painting, bubbles, bracelet stringing and other crafts plus lots of supervision. See map for location. Open 10-4 each day.
